

MISSION

"We are committed to provide a holistic education based on new- generation academics that create not just powerful global career options for our students, but which empowers them to become key contributors to the community and the environment in which they live. We strive to achieve nation-building through character- building, and we do so through an approach of mentoring."

VISION

"To develop local actions to create global options"

Motto

"Truth we honour
Knowledge we cherish"

SCHOOL PHILOSOPHY

“Education is not a quest but a journey”: Dr. K.M.V. Pillai. This journey of life encompassing the entire world has its base in our educational institution, Dr. Pillai Global Academy. The two different poles, even though contrary not only intersect the knowledge & skills but also overlap different ways of thinking. Globalization leaves its footprints in every arena/area of the student development. Teaching & Learning are now equipped with new techniques involving interacting learning environment. These skills involve multicultural influences, inclusive societal structures & a pattern of interdependency.

A student in this new world must grapple with 2 core facts of life: One, where he encounters immense competition & the other where he has access to infinite opportunities. These students must be equipped well to deal with the competition efficiently. Skills required for competing & critical analysis help them in their choices. Dr. Pillai Global Academy employs a unique approach to address this need, by making a paradigm shift from the textbook to the real world & labs. While skills & facts are important; the reasoning behind the facts makes for a subject of analysis. Thus, the ‘how’ & the ‘why’ gather much weight than the ‘what’. Dr. Pillai Global Academy focuses on developing the right attitude to face the challenges, learning & applying contemporary knowledge & cultivating a spirit of enterprise. As stated in the mission, Dr. Pillai Global Academy believes in an education that concentrates on a holistic development. An education that helps students imbibe, not only diversified knowledge, but also teaches them how to harness this knowledge to the new world. The school fosters critical thinking while at the same time emphasizing creativity. A positive environment is developed to complement the students’ positive attitude. Right values & morals are instilled amongst the student at the same time as self-confidence & self-esteem. To this end the school strongly believes in going beyond academic development by conducting numerous extra-curricular and co-curricular activities as well as field trips. The Philosophy is made operational through the implementation of different curricula & boards as they help in developing & cultivating the skills necessary for the 21st century.

Cambridge Checkpoint Achievers

Hearty Congratulations to all our Checkpoint achievers-2024

The Cambridge Checkpoint exams for the academic year 2024 were conducted in April. These exams provide diagnostic feedback on learners' strengths and weaknesses, which further prove to be supportive in their university admissions. Our DPGA students have demonstrated excellent academic abilities in the Cambridge Checkpoint exams, showcasing their preparedness for higher education. Continued efforts in targeted areas will help sustain and further this achievement. Hearty congratulations to all our achievers!

IGCSE Achievers

Hearty Congratulations to all our IGCSE students

Hearty congratulations to all our IGCSE students. All our students have made us proud once again. Congratulations to the wonderful teachers for the excellent results. Congratulations to the School management and parents for their constant support towards students' success

IBDP Achievers

Hearty congratulations to all our IBDP students.

International Yoga Day

DPGA Borivali celebrated the International yoga day on Friday 21st June 2024. Students, parents and teachers enthusiastically participated in this annual event. The activity started with the morning yoga prayer, followed by the IB students communicating the significance of this special day. Different asanas and guided meditation, saw the involvement of teachers- teaching, as well as the other teachers participating with students and parents. Participation of parents assured us of their support in instilling good values in our students. The main objective of this International yoga day celebration was to show our solidarity in educating the community and creating health awareness while incorporating yoga in their daily life.

Environment Week (18th June – 22nd June, 2024)

DPGA conducted Various activities under the theme 'Celebrating Sustainability' to inspire and empower students to make a positive impact on the environment. Engaging initiatives such as Best Out of Waste and Rainwater Harvesting encouraged creativity and highlighted practical ways to conserve natural resources. Workshops led by IB students as part of their CAS projects further educated and engaged participants on the importance of environmental preservation. Practical demonstrations on rainwater harvesting methods, including rooftop collection, sewage systems, and storage solutions implemented at DPGA, were explained to students, sparking group discussions and dynamic question-and-answer sessions. This peer-to-peer interaction motivated students to become agents of change in their communities and deepened their sense of responsibility toward environmental stewardship. The week culminated in the thrilling 'Eco Quest' on Saturday, which witnessed enthusiastic participation from students, teachers, and parents. Conducted at the scenic Sanjay Gandhi National Park (SGNP), the treasure hunt was a well-planned initiative that brought excitement, laughter, and countless opportunities for students and their families to create lasting memories while learning about conservation. Through these meaningful activities, students took actionable steps toward addressing pressing environmental issues, gaining a deeper understanding of sustainability, and embracing their role as future protectors of our planet.

Kids MBA

Igniting the Spark in Young Minds! A remarkable journey began at DPGA Gorai as we successfully launched the much-anticipated Kids MBA Program! This unique initiative was designed to nurture entrepreneurial thinking and leadership skills in our young learners from an early age. During the session, our budding business leaders were introduced to the core concepts of the program, which sparked their curiosity and laid the foundation for a transformative learning experience. With hands-on activities and engaging discussions, they explored the fascinating world of business in a way that was both educational and fun. At DPGA, we believe that it was never too early to foster a mindset of innovation and creativity.

The Kids MBA proved to be more than just a program—it became an investment in the future, helping our students develop the confidence and essential skills needed to succeed in today's ever-changing world. This inspiring journey at Pillai's marked the beginning of shaping tomorrow's leaders with passion, purpose, and innovation!

A highlight of the program was the Shark Tank event, where 3 outstanding projects impressed the panel of esteemed judges and secured valuable investments. This remarkable achievement underscores the program's effectiveness in equipping students with essential business insights, strategic thinking, and presentation skills.

The success of the KidsMBA program reflects the dedication of our students, the guidance of our DPGA mentors, and the unwavering support from the school community. It marks a significant milestone in our mission to cultivate future-ready leaders with a strong entrepreneurial mindset.

Independence Day celebration

The Independence Day celebration at Dr. Pillai Global Academy commenced with the ceremonial flag hoisting, symbolising the nation's freedom and unity. This was followed by a special prayer led by the teachers, invoking peace and prosperity for India. Principal Mr. Maurice Coutinho sir delivered a heartfelt pledge, reflecting on the significance of Independence Day and reinforcing the values of liberty and national pride. Our school Deputy CEO Dr. Sharda Sharma ma'am then addressed the assembly, delivering an inspiring speech that underscored the importance of independence and the vital role of education in building a better future. Her words emphasized the need for unity, commitment, and the pursuit of excellence, aligning with the academy's mission to nurture global citizens. The celebration continued with the distribution of awards to top achievers in IBDP, IGCSE, and Checkpoint programs, as well as winners of the handwriting and Hindi debate competitions, acknowledging their exceptional accomplishments.

The event concluded with an entertaining and meaningful cultural program, combining skit, dance, and song performances. Students, teachers and parents creatively merged these elements to depict India's journey to freedom and the rich cultural heritage that binds us together.

Janmashtami Celebration

Diplomathon

DPGA proudly participated in the 2-day Diplomathon event, where our students engaged in thought-provoking discussions, diplomatic debates, and collaborative problem-solving. It was an incredible experience fostering global awareness, leadership, and critical thinking skills. Kudos to our future leaders for representing us with such passion and dedication!

Management Awards

Hearty congratulations to DPGA. DPGA has been recognized for its exceptional focus on comprehensive evaluation and commitment to creating future leaders. Under Ma'am's visionary leadership, evaluation has transcended traditional metrics,

emphasizing a holistic approach that considers not just academic achievements but also emotional intelligence, critical thinking, and global awareness. By fostering a learning environment that nurtures these qualities, DPGA has played a pivotal role in shaping students into well-rounded individuals ready to lead with empathy, resilience, and innovation. This Award is a testimony that DPGA ensures that the next generation of leaders is equipped with the skills and values necessary to thrive in an increasingly complex world.

Inter-House Basketball

Game on! DPGA kicked off the Inter House basketball matches this year too, for both boys and girls. Our students continue to display incredible teamwork, skills, and sportsmanship on the court. These matches are always thrilling and packed with action and excitement.

BookAru 2024: A Celebration of Literary Journeys

On 31st August 2024, our school hosted the much-anticipated BookAru English Literary Fest, a vibrant celebration of literature and culture. The event, themed “Literary Journeys: Exploring Different Cultures and Places through Literature,” showcased the creativity and talent of our students, teachers, and community.

The day was packed with engaging activities that truly captured the essence of the theme. The festivities included captivating dance performances and fashion shows, both of which brought to life the diverse cultures depicted in literature. Parents’ session on “Encouraging Reading and Writing in Multiple Languages.” emphasized the importance of multilingualism in broadening literary horizons and fostering cross-cultural understanding.

The event also featured an array of skits, shows, cultural dances, TED talks etc. The interactive stalls, and games tested literary knowledge, and the robotics demonstration showcased uses of technology in everyday life, while the live music show kept the atmosphere buzzing with energy. Food stalls offering a variety of cuisines added a flavourful touch to the day.

BookAru at DPGA is not just a literary festival; it is a journey through the rich tapestry of global cultures as seen through the lens of literature. The success of the event is a testament to the hard work and dedication of our students, teachers, and parents, who came together to create an unforgettable experience. We look forward to many more such celebrations that inspire a love for literature and the exploration of the world through books.

Additionally, they visited a nearby small-scale industry, gaining insights into the struggles and determination of the hardworking individuals sustaining the village economy. This enriching experience was a powerful blend of empathy, learning, and social responsibility.

CAS -Community Service Day

A truly heartwarming day filled with joy, generosity, and the spirit of togetherness! Dr. Pillai Global Academy proudly hosted over 700 individuals, including representatives from 21 NGOs, in a celebration of compassion and unity. From heartfelt interactions to moments of laughter, the event beautifully highlighted the importance of compassion, generosity, and giving back to the community. The smiles, giggles, and shared memories made it a day to remember for all. Here's to building stronger bonds, spreading love, and cherishing the joy of sharing!

CAS - NatureTuks

An immersive sustainability and leadership program at The Golden Boulder Campus, Hyderabad, provided our students with invaluable experiences in environmental conservation, leadership development, and hands-on learning. They participated in outdoor activities like biodiversity hikes, survival skills, and field trips, while creative learning sessions included storytelling, theatre, and team challenges. Through community service initiatives such as volunteering and forest regeneration, students made a real-world impact. With expert guidance and structured safety measures, this enriching program successfully nurtured future eco-leaders.

CAS -Rice plantation - at Wada

Students embarked on a one-day CAS trip to Wada, Palghar, where they actively participated in rice planting. They observed and engaged in the entire process of planting rice in the paddy fields, gaining valuable insight into the challenges farmers face during rice cultivation.

This immersive experience enabled students to reflect on their strengths and areas for growth as they navigated the physical demands of rice planting. They demonstrated teamwork and collaboration by working alongside farmers in the paddy fields and developed a deeper understanding of global agricultural issues, particularly the hardships endured by farmers.

Assisting an animal rescue NGO

Students took the initiative to collaborate with an animal rescue NGO to assist in the vaccination and neutering of dogs near village areas which proved to be very helpful for the residents as well as dogs of the area. The effort proved to be favourable for both the local residents and the dogs, contributing to improved animal welfare and community health. The students experience and engaged with issues of global significance. Through this activity, they learned the importance of mutual support, perseverance, and effective teamwork in achieving shared goals.

CAS- SHORT FILM

The IBDP students of the school were assigned to create a short film aimed at supporting education in rural areas. To achieve this, the students visited local schools and hostels, engaging with the children and contributing by donating stationery to aid their learning experience.

The learning outcomes associated with this initiative included recognizing the value of working collaboratively and addressing issues of global significance. By interacting with the rural community, the students gained practical experience in teamwork while contributing to the cause of educational equity.

Through this activity, they enhanced their collaboration and critical thinking skills and developed a deeper awareness by reflecting on the impact of their actions.

Diwali Kandil Making & Charity Drive

During the Diwali festivities, we created kandils (lanterns) from scratch as part of a creative activity. We designed beautiful lanterns that were then sold as part of a fundraising initiative. By donating the money earned to a charitable organization, we not only celebrated the festival of lights but also contributed to giving back to the community. The learning outcome for this activity was "Demonstrate that challenges have been undertaken, developing new skills in the process," as making kandils required creativity and precision, while selling them helped us improve our marketing and communication skills. This experience allowed us to develop new abilities while supporting a charitable cause. In addition to enhancing our creative skills, this activity helped us give back to the community.
